Your Tour Educator

Every journey we offer is accompanied by a Tour Educator (TE) who brings your itinerary to life. Some of our TE's have decades of firsthand experience leading people to particular places.

Your TE will provide you with an authentic understanding of the locations you will visit, will introduce you to the locals, and will share his/her enthusiasm and passion for the local culture. The result is a journey that transforms your understanding of a place, connecting you to the people and places you encounter in a way that is palpable and unforgettable.

Our TE's are like no other: intelligent, knowledgeable, engaging and fun. They will become an indispensable part of your experience and some might just become lifetime friends.
