Remembering the Jews of Pribram

Congregation B'nai B'rith is the caretaker of Czech Holocaust Memorial Scroll #35 from Pribram, Czechoslovakia, where a Jewish community existed as early as the first half of the 17th century. Out of 267 Jews, it is believed only 8 survived the Nazi occupation; the Jewish community has never been revived.

The following list was put together through meticulous research by Judy Mannaberg Goldman, whose paternal family hailed from Czechoslovakia. Each year we remember the Jewish men, women, and children of Pribram who were murdered during the Holocaust.
