**RABBI STEPHEN COHEN**

FOR 30 YEARS OF DEDICATION AND SERVICE TO THE COMMUNITY

Cottage Health System values the community members who devote their time to providing spiritual care to patients and families. To support healing, sacred spaces, artwork and gardens are featured throughout our hospitals. The Sacred Space being constructed at the new Goleta Valley Cottage Hospital, opening in Spring 2015, is depicted at right.

Thank you, Steve, for your ten

Judaism continues to evolve. We are proud to be on the leading edge of engaging and welcoming synagogue communities in this country.

We honor tradition, while exploring new ways for people to create a Jewish life that is meaningful and valuable to them.

On any day of the week you will find groups of people at CBB praying, learning, laughing, and working together.

Creating sacred community,  
one relationship at a time.
