Dear CBB Family,

Has Rabbi Steve Cohen made an impact on your life? Do you have a fond memory you'd like to share? Would you like to let him to know about it? We'd love for you to tell us about it!

Though March 14th, we are collecting short video tributes of up to 3 minutes, exploring Rabbi Cohen's 40 years of service to Santa Barbara's Jewish community. And we will be selecting some of these to be included in a tribute movie by CBB member and filmmaker **David Teton-Landis**. That tribute movie will be shown at our "Wisdom on the Wild Side" Gala on Sunday, May 4th.

If you'd like to participate, please record a SHORT video of no longer than 3 minutes in total.

In this video, please answer ALL THREE of these prompts:

1. Tell us **YOUR NAME** (Important!) and **one fond memory** you have of Rabbi Cohen (2 minutes max)
2. Tell us **ONE WISH** you have for Rabbi Cohen's future as he becomes Rabbi Emeritus (20 seconds max)
3. Tell us **ONE WORD** that best describes Rabbi Cohen

IMPORTANT!

- Please leave at least **5-10 seconds** in between your responses. Or, if you prefer, you can send us 3 separate videos, answering

each prompt separately.

- Do not forget to **TELL US YOUR NAME** before you answer question 1!
 - While we may not be able to include all the videos we receive in the final film, we will share all the videos with Rabbi Cohen.
 - **All videos must be submitted no later than Friday, March 14th** to be considered for inclusion.
-

HOW TO RECORD & SUBMIT YOUR VIDEO

The easiest way for you to record and share your video(s) is to use your iPhone or Android phone. To record a video, simply use the camera feature on your phone and set it to "video" to record.

To Share Your Video - for iPhones

To share a video you took on an **iPhone**, you can use the **Photos app**. To share, please make sure you have iCloud Photos turned on. Then follow these steps:

1. Go to the Photos app on your iPhone.
2. Tap the video you want to send, then tap on the Apple "share" icon
3. Tap Options, then tap Copy iCloud Link.
4. Go to Mail and paste the link into an email and send it to: **david@teton-landis.org**

To Share Your Video – for Android Phones

To share a video you took on an **Android Phone**, you can use **Google Photos** to send a link of your video using email. To share:

1. Open the Google Photos app
2. Select the video you want to share
3. Tap on the Google "share" icon
4. Then click **Create link**.

5. Go to your Gmail or other email account, paste in the link, and send the video to david@teton-landis.org

Sharing via Your Computer

You can also share a video you take on your iPhone or Android by downloading the video from iCloud (Mac users) or Google Photo (PC users) and sharing it to a special Dropbox or Google Drive link.

Dropbox: to share your video, copy the video link and drop it into our special [Dropbox folder](#) (click link).

Google Drive: to share your video, copy the video link and drop it into our special Google Drive folder called “[Mountains of Wisdom](#)” (click link).

FEELING STUCK?

If you'd like to record a video but not sure you're up to the task, please email paulz@cbbbsb.org. We will be setting up dates in the near future for our members to come to campus and record videos during CBB office hours.
